

**SCGP Recognized for Global Sustainable Growth,
Ranked Top 1% in S&P Global for Containers & Packaging, Listed in MSCI Global Small Cap Indexes**

SCGP has achieved quality growth and global sustainability recognition, ranking in the Top 1% of the S&P Global assessment for the Containers & Packaging industry in the Dow Jones Sustainability Index (DJSI) for the third consecutive year. This achievement reflects SCGP's commitment to its strategic direction. Additionally, SCGP has been included in the MSCI Global Small Cap Index, further enhancing investor confidence.

Wichan Jitpukdee, Chief Executive Officer, SCG Packaging Public Company Limited or SCGP, said that the company has gained global recognition for its commitment to sustainable business practices, as evidenced by the Dow Jones Sustainability Index (DJSI) assessment. This year, S&P Global has placed SCGP in the Top 1% of the S&P Global ranking for the Containers & Packaging industry for the third consecutive year.

This achievement stems from the collective dedication and collaboration of all stakeholders in driving sustainability guided by well-defined strategies. SCGP received outstanding scores in two key dimensions: **Governance**, which encompasses the development and implementation of strategies focused on 3 key areas: Net Zero Initiatives, Circular Economy, and Customer Centricity & Stakeholder Engagement; and **Social**, focusing on developing employees' skills to align with the company's direction and prepare them for the emerging challenges in the industry.

In addition, SCGP has been included in the **MSCI Global Small Cap Index**, a globally recognized benchmark compiled by Morgan Stanley Capital International (MSCI). This inclusion reflects investor confidence in SCGP's robust business operations and adherence to environmental, social and governance framework. The evaluation criteria include factors such as trading liquidity, market capitalization, and free float availability in the capital market.

"SCGP is committed to achieving quality and sustainable growth, coupled with innovation development, responsible environmental and social practices, and globally recognized governance practices. We strive to deliver long-term value to all stakeholders," said Wichan.
