

## **SCGP Ranked Top 1% of S&P Global's Containers & Packaging Industry for the Third Consecutive Year**

SCG Packaging Public Company Limited or SCGP has been ranked the Top 1% of companies globally in the Containers & Packaging industry by S&P Global for the third consecutive year, based on the Dow Jones Sustainability Index (DJSI) assessment. The recognition reflects SCGP's commitment to quality growth and its consistent ability to meet global standards of sustainable business leadership. SCGP achieved outstanding performance across three key dimensions: Governance & Economic: Demonstrating strong corporate governance, transparency, systematic risk management, high ethical standards, and responsible supply chain management. Environmental: Advancing toward net-zero greenhouse gas emissions while driving the Circular Economy through increased use of alternative energy and the development of recyclable packaging solutions. Social: Strengthening employee capabilities in alignment with the Company's strategic direction to address emerging industry challenges, alongside fostering engagement and collaboration with stakeholders across the value chain. These achievements reflect SCGP's balanced and integrated approach to Environmental, Social and Governance (ESG), reinforcing its role in advancing sustainable business practices and long-term value creation on a global level.
